## What Is Off The Shelf™? It's No More Production Down Time

No one can afford production down time. Wouldn't it be nice to have access and 100% in-stock availability of supplies for your entire project or MRO needs? Well, now you can! It's why we created Off The Shelf. Off The Shelf is Charter Industrial Supply's exclusive inventory management stocking solution that guarantees a 100% fill rate, 24/7 to help you save time and money while improving productivity so you can spend more time on the job and less time shopping around and waiting for supplies – plus, it costs you nothing.

## How About a Job Site Supplier That Stocks Everything You Need, When You Need It?

By assisting you in the pre-planning process, we can tailor our inventory to match the needs of your project – this will help in eliminating the need for costly emergency part demands because we will already have your specific parts on the shelf and ready for delivery at each stage of your project. Plus, you only pay for supplies as you need them.

Call us to set up your account today to avoid an emergency situation tomorrow.

## Off The Shelf Provides:

- 100% Fill Rate\* – Guaranteed!
- Efficient and Thorough Inventory Management
- Optimization and Stability of Inventory Levels
- Improved Productivity
- Reduced Production Down Time
- Elimination Of Costly Emergency Parts

## A Top Premier Platinum Distributor For EATON | Aeroquip

### As A Certified Premier Platinum Distributor, We Have Earned Aeroquip's Gold Medal

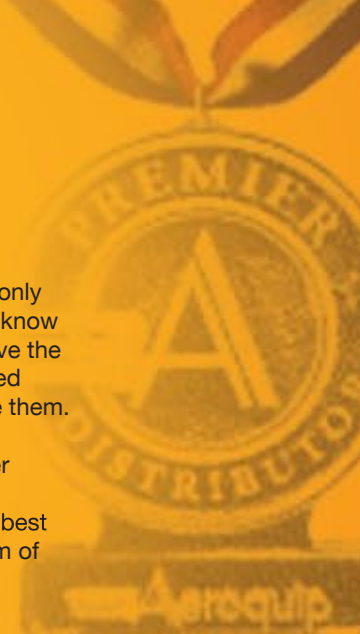

We are honored to be an Eaton Premier Platinum Distributor. To achieve this status, Charter has successfully passed a rigorous certification process. This process is intended to insure the best practices and promote world-class services. It involves the completion of extensive training and testing, along with the passage of strict, detailed inspections of our facility by Aeroquip representatives.

In addition, we have been recognized as a Top 24 Distributor by Eaton—North America. This distinction is shared by very few and is in recognition of our commitment to quality customer service and satisfaction. As our customer, you are also Aeroquip's customer.

### Aeroquip Product Specialist and Certified Hose Assembler

As a Premier Platinum Distributor, we not only assemble and sell Aeroquip products, we know Aeroquip products inside and out, and have the necessary equipment, inventory and trained personnel to best assemble and distribute them.

The reason we are so proud of our Premier Platinum Distributor status is that we can confidently offer you the best service, the best products and the most knowledgeable team of professionals available.

## Family Owned and Operated

Est. 2000, With Over 40 Years  
Combined Industry Experience

*"We built Charter from the ground up and our core foundation lies on the solid principle of delivering the finest products and customer service beyond the call of duty. Our passion is to help companies construct and maintain solid infrastructures by using the best parts available, and give engineers and managers confidence that if something breaks or was miscalculated, we're there to get the site up and running... fast—avoiding down time. We also have an excellent track record and road record of delivering emergency and hard-to-find parts that most industrial suppliers do not stock. Our new Off the Shelf™ program guarantees that we stock of all the parts you need for your project with a 100% fill rate. You can't beat that anywhere.*

*We understand this business better than anyone and want to deliver the highest quality parts with peace of mind and convenience. Our customers depend on us and it has been our pleasure to serve them over the years."*

Sincerely,  
Dan and Dave Scordato,  
Founders
